METAL BASKETBALL

Leaf is pleased to introduce its newest entrant into the underserved basketball market, 2012-13 Leaf Metal Basketball! This release features on-card autographs of a wide selection of Hall of Famers, Superstars and Fan Favorites. As always, collectors will be hunting for Leaf's exciting prismatic parallels in multiple colors as limited as the 1/1 super-prismatic!

Look for:

- **Damian Lillard's first signed rookie cards featuring "Metal" technology! These are certain to be some of the most sought after cards of the year!**

- **Patrick Ewing On-Card Signed Jumbo Patch autographs (it's been nearly 10 years since Mr. Ewing signed for a release!)**

- **"HOOP MATRIX" ultra-limited unsigned cards featuring the newest available Metal technology which all companies are sure to imitate once unveiled!**

- **"Valiant" ultra-limited unsigned cards featuring many of the game's top stars utilizing Valiant technology.**
