## The 1930s Series 2

2018 Historic Autographs is back at it with Originals The 1930s Series 2. Originals the 1930s mixes original cards from the decade with cut signatures. A total of 120 players are featured in the limited edition release, of which 30 are Hall of Famers. 26 of the 120 players are short printed to between 2 and 5 cards per, and all other players have a minimum print run of 8 and a max of 25. Hall of Famers & Short Prints fall 4 per case. Look for 1/1 versions falling better than 1 in every 2 cases. The total production run will be 100 hand numbered 15 box cases.

Key players on the checklist include Lou Gehrig, Ty Cobb, Jimmie Foxx, Joe Medwick, Charlie Gehringer, Lefty Grove, Bill Dickey, Pie Traynor, Al Simmons, Heinie Manush, Mickey Cochrane, Goose Goslin and more. Look for over 50 1/1 players including Babe Ruth, Lefty Gomez, Jim Bottomley, Gabby Hartnett and Chick Hafey.

All of the cards used for a specific player in the main set are the same. This means no variations or an endless chase if you're simply going after the main 120-card set. Original cards used include 1932 US Caramel, 1933 DeLong, 1934-1936 Diamond Stars and 1933 & 1938 Goudey.
