

THE BLUE WAVE RETURNS WITH THE RELEASE OF BOWMAN CHROME!

Bowman Chrome™

The hottest redemption program is back! Collectors who send in 36 Bowman Chrome Baseball (Hobby or Retail; mixing is allowed) wrappers will receive a **FREE** 5-card cello pack of Exclusive Blue Wave Refractor parallel cards. There are 110 subjects to collect in all. In addition, bonus autographed cards have been randomly inserted into packs, featuring hot prospects such as **Jorge Soler**, **Billy Hamilton**, **Ronald Guzman** and **Tyler Austin**...just to name a few.

The exclusive wrapper redemption program will be limited to **ONLY 10,000** cello packs, so in order to receive your packs, send in your wrappers quickly! There is a 5-pack limit for Blue Wave Refractors per household, which we encourage to be sent in one package. Any packages postmarked earlier than **October 17, 2012**, the official street date, will not be accepted. If you abuse, you lose!

We will update the number of packs redeemed on Twitter (@toppscards), so follow us there...once 10,000 cello packs have been sent out, the program will conclude and we will be unable to fulfill any more.

Wrappers should be sent to: 2012 Bowman Blue • P.O. Box 2008 • Duryea, PA 18642
