

2013 LEAF POWER SHOWCASE BASEBALL

Leaf

Leaf is pleased to bring the hobby another innovative pre-draft product designed to give collectors their first look at a number of tomorrow's most exciting baseball prospects. The Power Showcase is the premier baseball showcase event for the top power hitting high school players from nearly 20 countries, to demonstrate their overall skill-set in a major league stadium in front of baseball's top evaluators.

Nothing is sexier to collectors and prospectors than the power hitter.

This event has already been the coming out party for many solid prospects including:

Bryce Harper, Anthony Rizzo, Daniel Vogelbach, Dante Bichette Jr, Travis Harrison, Clint Coulter and Kyle Carter.

Imagine the excitement of having autographed cards of these players so early in their career.

When you consider the amazing young talents like David Denson (champion with 515 foot colossal home run),

Rowdy Tellez (6-tool talent ready to make a major impact) and Jon Denney (elite prospect and future 1st round talent), coupled with a number of International talents who are expected to be high dollar bonus guys, this product has unlimited upside potential.

Much like Leaf's U.S. Army All-American Football release, this releases boasts a miniscule **99 case print run!**

We are confident this release will garner similar excitement and become a staple "pre-draft" product for Leaf for years to come!
