TRINITY BASEBALL

Leaf is pleased to announce its final draft/prospect product for 2013: Leaf Trinity Baseball. On the heels of this year's smash hit in football, Trinity delivers to collectors a premium experience in the category.

Production for 2013 is limited to a mere 250 10-box cases. Each box will contain five autographed cards from among Trinity's three solid conceptual elements.

LOOK FOR:

PURE (GLASS) AUTOGRAPHS: This exciting technology stole the show in 2013 Trinity Football and arrives again in the Baseball incarnation ready to amaze collectors with stunning glass style transparent cards featuring all **ON-CARD** autographs. These will be numbered by hand with parallels as low as 1/1!

INSCRIPTION AUTOGRAPHS: This set features **ON-CARD** autographs of many of the year's top prospects and draft picks (some of which will include additional inscriptions added to the card)! Look for parallels as limited as 1/1!

PATCH AUTOS: This set returns from the popular football release, except this time **EVERY CARD IS SIGNED ON-CARD**. The football patches were wildly popular without autographs, which makes the popularity of this set with autographs off the charts! Look for parallels as limited as 1/1!
