More Eye Black stickers! This year's checklist includes 20 unique designs including player names, nicknames and even the famous Rated Rookie logo. They are also more frequent in packs and each eye black card has four stickers.

More Tattoos! There is a larger checklist for the 2013 set and there are better odds of finding them. Included in 2013, for the very first time, are player tattoos. You can show your pride by wearing your favorite player's name on your body with these temporary tattoos.

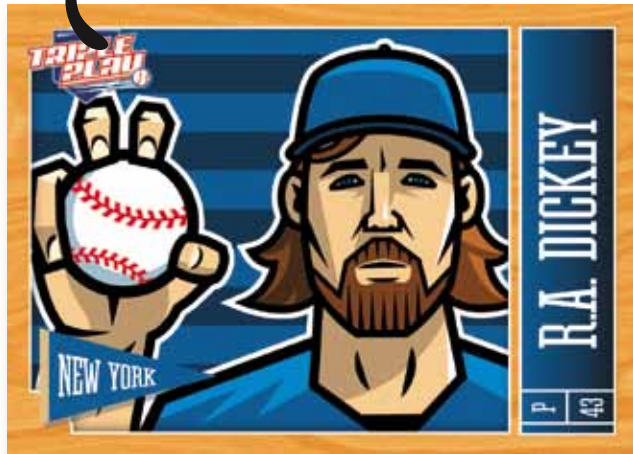

All new designs in 2013. A fresh new checklist including top rookie Jurickson Profar.

FELIX HERNANDEZ

JESUS MONTERO

COMMON

All new design for 2013. Updated player checklist including MVPs Buster Posey and Miguel Cabrera.

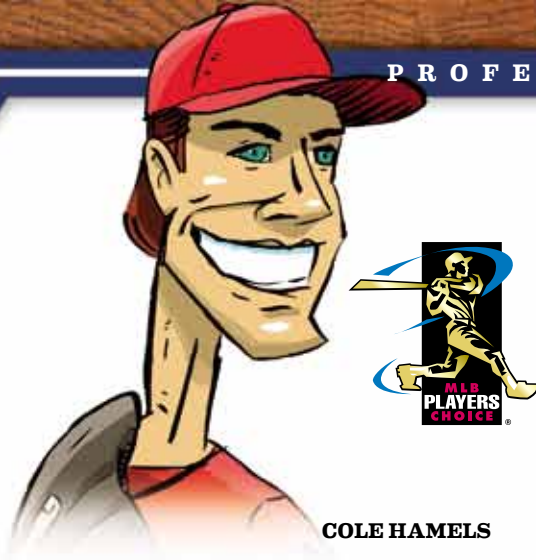

TATTOOS

Wear your pride on your sleeve, or actually your body, with these temporary tattoos featuring your favorite players. A new 10 card checklist featuring top players and even the iconic Rated Rookie logo.

WHEN I WAS A KID

Players recalling their childhood memories about baseball and what it meant to them.

COLE HAMELS

CLAYTON KERSHAW

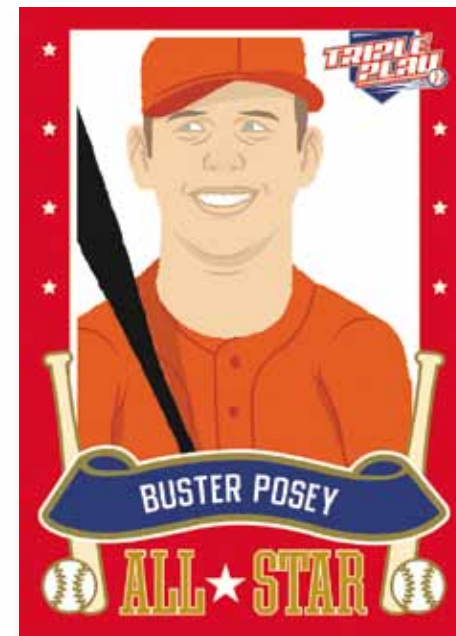

EYE BLACKS

These are back again with a much larger presence. They now fall into packs on average about every third pack and there are four eye blacks on each card instead of just two. Look for an all new checklist for 2013.

REAL FEEL

These are back by popular demand, the Real Feel cards have six different material types including jerseys, bats, batting gloves, fielding gloves, bases and pants. This year, the jerseys will have more color swatches available. These will fall into packs about one in 48.

PANINI ALL STARS

Panini has selected 30 of the best players in the game for this checklist of Panini All Stars. You'll see players like Derek Jeter, Stephen Strasburg and more.
