2013 PASTIME COLLECTION: ENSHRINED EDITION

CREATE YOUR 1/1 ENSHRINED CUT MASTERPIECE CARD

One lucky collector will get the incredible opportunity to create their own 1/1 Enshrined Cut Masterpiece.

After choosing two cut signatures from the Enshrined Cut Masterpiece list, they will then get to select the two images they want to be featured on the card. Renowned sports artist Brent Naughton will then skillfully hand draw and paint the images onto the 5x7 card, thus creating the very unique 1/1 Enshrined Cut Masterpiece. The card will then be matted beautifully with gold etching and sent to the authentication company of choice for authentication and encapsulation.

ABOUT THE ARTIST

Brent Naughton is a Cincinnati based sports artist as well as a die hard Reds fan. Through the years he has sharpened his skills and now has several of his heroes among his growing list of clients.
