## Sex Sells! Signed 8x10" Edition

History shows us that attractive women in advertisement can sell just about anything and over the decades the phrase, "Sex Sells" has taken on a life of its own. From the manicure dolls of the Victorian era, to the flappers of the 1920, through the pin-up girls of the 1940s and 1950s to the modern bombshells of today, the beauty of the female form has been utilized to increase sales. With this in mind, Historic Autographs has produced an autographed 8x10" photograph series featuring ONLY women – in tasteful and sometimes provocative poses – with each signature authenticated by PSA/DNA. Subjects include mostly actresses and models with some pin-ups girls (ie. Bettie Page, June Wilkinson) and sports figures. Each decade – from the 1940s through today – are represented.
