Hall of Fame & All Star 10th Anniversary Edition

It has been a little over 10 years since Historic Autographs released into the market our first product - 2010 HA Hall of Fame and All-Star Edition (released in May of 2010). We have come a long way since that first release; learned so much on what collectors seek, what collectors expect and how to make a better product. Although intended for release in May, 2020 (delayed due to the pandemic), HA is still very proud to announce the release of 2020 Historic Autographs HOF & All-Star 10th Anniversary Edition.

Historic Autographs has remastered and reconfigured the 10th Anniversary Edition to include (4) total autographs per box. The content will include Hall of Famers and multi-time All-Stars (no one-year wonders) with AT LEAST TWO HOFers in every box. Most signatures are on full index cards, some are mounted cuts and a few postcards but the signatures are all representative of great players. We added the extra autograph (over what was released in our original 2010 HOF & AS Edition), lowered the production run and cut the price by 20%.

Key players to look for are Lou Gehrig, Jackie Robinson, Roy Campanella, Mickey Mantle, Joe DiMaggio, Jim Bottomley, Ted Williams, Eppa Rixey, Hank Greenberg, Goose Goslin, Mickey Cochrane, Sandy Koufax, Dizzy Dean and Satchel Paige. Most players are represented more than once (except Gehrig and Jackie Robinson).
