MATTE

CHANGING THE GAME

There are (4) boxes in a **MASTER** case. This box is the large white box seen pictured in the attached. These larger boxes contain 6 mini boxes/packs. There 6 of the mini boxes/packs in the larger box (4 white and 2 blue). The “blue” packs are the “Parallel Boxes”

Parallel Boxes™ - This is in a new and fresh concept taking the “parallel” from cards to boxes and packs. The blue boxes contain only **Matte BLUE** cards. The Matte Blue cards are 1/2 the production of the Matte White cards.

Each of the 6 mini’s contain 6 cards. 3 of the cards are on-card autos and 3 of the cards are non-autos.
