2026 Aura Football Max Box – First Pulse Chrome Set!

Introducing the first-ever Pulse Chrome set, built on Pulse Chromium — the ultimate fusion of innovation, shine, and collectability. The 2026 Aura Football Max Box is built for collectors who love the thrill of ripping packs while chasing premium chrome hits and autographs.

This Max configuration delivers 24 packs per box; each loaded with numbered chrome cards — all serial-numbered to 60 or less. Every pack is individually wrapped in bold graphic packaging, creating an exciting rip-and-reveal experience perfect for breaks and personal openings alike.

Find 2 autographs per box featuring draft prospects, current stars, and legends of the game, including Christian McCaffrey, Carnell Tate, Justin Jefferson, Dante Moore, Dan Marino, and more.

What makes the 2026 Aura Football Max Box so special?

- **2 Autographs per Box**
- **24 Packs per Box** – individually packaged for high-energy rips and breaks
 - **All Cards Numbered to 60 or Less** – built-in rarity in every single pack
- **All Chrome Design** – bold, high-shine Pulse Chromium technology throughout
- **Designed for Breaking** – perfect mix of pack excitement and premium hits

We created the Max Box for collectors who want volume, energy, and the thrill of opening packs, combined with the rarity and shine that define Aura Football.
