

The Memoirs of *Sherlock Holmes*

This 27 card set will cover Doyle's second collection of 12 short stories and it will act as a companion to the books. Each pack is labeled A, B or C and collecting one of each letter will provide you with a complete basic set.

With new art and real artifacts this is an unmissable product for card collectors and Holmes fans alike.

Limited to less than 120 cases this set will not be around for long. It includes some of our best inserts yet. Look for authentic Penny Black & Penny Red stamps along with rare coins, authentic numbered First Edition Cuts, fold out cards and fantastic 1 of 1 hand illustrated sketch art cards. You will also find chase puzzle cards and a parallel set along with some hidden surprises!
